# BUSINESS INTELLIGENCE ANALYST DEVELOPER

We recognise the value held in our corporate data and we've invested to build the foundations for our information reporting strategy. Now that we've established a comprehensive framework, we can really start making the most of our data by taking a more analytical approach. That's why we're looking for a talented individual to enhance our team.

As a Business Intelligence Analyst Developer, you'll be responsible for supporting the design, development and management of the business intelligence systems across the Fresca Group.

Working together with people in all the companies of our group, our ideal candidate can transform vast amounts of business data into meaningful information that the business relies upon for day to day operations, performance reporting and analysis.

Whilst it is essential that our ideal candidate has some specific skills, the role provides an excellent opportunity for someone to make the next step within their career, gaining a great deal of exposure on their learning journey.

## Our ideal candidate would have:

- Proven experience of working with SQL servers
- Knowledge and experience of working with MS BI stack (SSIS, SSAS, SSRS)
- SAP experience
- Bachelor's Degree in Computer Science or Information Systems, or equivalent
- Advanced level experience in the use of MS Excel, Power BI, Power View and Power Pivot
- The ability to create reports which present complex data in a clear and concise format
- Proven experience of developing and implementing enterprise-scale BI tools and dashboards
- Knowledge of dimensional data modelling concepts
- Knowledge of data visualisation
- The ability to work independently and as part of a team
- Strong interpersonal and customer service skills
- Excellent verbal and written communication skills
- Strong conceptual, analytical and judgement abilities

Fresca Group is a major part of the fresh produce supply chain in the UK and beyond. Companies in our group are growers, importers, packers, wholesalers and providers of logistics solutions.

We have over 1000 people and sales of some £500m per annum. We're leaders in our market.

## What else we can offer you:

- A competitive salary
- 25 days holiday per annum plus 8 days bank holidays
- Pension scheme
- Private medical insurance
- Optional company share scheme
- Learning and development opportunities
- Free onsite parking
- Subsidised staff restaurant

## The hours you would work:

Monday to Friday, 8am until 5pm  
(40 hours per week).
